How: Determine how much space you need and submit the application below with your payment.
Deadline: Friday, April 8, 2016 – or while spaces last

What do you get for your money? In addition to your selling space, you will have a highly visible location with adequate parking and we will do the advertising – bringing you the buyers and saving you time and money!

What will you need to do? You will provide your own goods to sell, do your own pricing and act as your own cashier. You will also need to bring tables to set up your merchandise, chairs for your use during the sale and any personal signage you would like. Since this is a school-sponsored event on school property, please be thoughtful about the items you are selling. Firearms, tobacco products, food items, and inappropriate reading material will not be permitted for sale.
