

## FALCON BAND CALENDAR 2020-2021

This is a **DRAFT** of our calendar for next year. Because of our current unique situation, these activities will occur as we are approved by the district to do them. Communication will be sent via email prior to each event.

Any normal changes, additions, or deletions will be made the first week of school in the band handbook. Please look through these dates and post them to your calendar. Students needing to submit concert excuse forms one month in advance for any conflicts should do so the first day of school as opposed to sending them prior to the start of school. There is no grade penalty or make-up work required for absences excused one month in advance.
