**Luggage Consent Form
CFHS Falcon Band**

This form must be submitted to the bus chaperone when the student boards the bus. If the student does not have this signed form, their luggage will be checked by a chaperone before they are allowed to board the bus.

I verify that I have checked my child's luggage while packing, and it does not contain any items that would violate the Catalina Foothills Band Trip Policies. We are aware that students may not bring drugs, alcohol, cigarettes or any other illegal substances. We further understand that violation of any of the trip policy rules that we signed and submitted along with our medical form for this school year may result in the student being sent home from the trip, exclusion from future trips, and loss of membership in the band.

My student understands that if his/her room is found untaped at any time during lights-out, he/she will be asked to call home immediately, and may (at the Band Director's discretion) be sent home at the parent's expense.
