### TRAVEL

The Falcon Band will have the opportunity to travel overnight several times during the school year. Only one of those trips, Saturday, October 7, the NAU BOA Marching Event is required, and the cost will be approximately \$150 per student for bus, hotel, and food. Financial assistance will be provided to those in need for this event. Information will be sent home in early August about this trip, and it is included in the attached band calendar.

There will be two additional optional overnight trips – the Prescott Holiday Parade Friday, December 1 and 2. The band has been participating in this trip every year since 1992, and the students typically enjoy it very much. The cost will be approximately \$150 as well. The band will also be traveling to Hawaii over spring break on an optional trip. The cost will be approximately \$2000. Complete information will be sent home as soon as the trip receives school board approval. Since these two trips are optional, financial assistance is not provided. Fundraising opportunities will be available in the fall. <https://forms.gle/BfNXehKVG6LFwSah9>
